Terms and Conditions for Commercial Waste Services:

1. Definitions and interpretations

[Elaborate definitions and interpretations related to terms such as 'excess waste', 'waste transfer note', 'customer', 'council', 'agreement period', etc., are provided here.]

2. Agreement

[Details the terms and conditions under which the agreement is entered into, such as the duration, renewal options, and termination clauses.]

3. Provision of the Services

[Describes the services to be provided by the council, including the frequency of collections, the scope of the services, and any specific conditions or requirements for service provision.]

4. Customer's responsibilities

[Outlines the customer's obligations, such as providing access to premises, maintaining the container(s) in good condition, and ensuring compliance with waste management requirements.]

5. Storage and Collection

[ Specifies the conditions for storage and collection, including collection frequency, storage duration, and any limitations or exclusions.]

6. Charges

[Details the charges applicable for the provision of services, including rates, frequency, and any additional fees or surcharges.]

7. Termination

[ stipulates the conditions under which the agreement can be terminated, such as by either party with or without notice, and any consequences of termination.]

8. Indemnity and Liability

[Outlines the indemnity and liability provisions, including insurance requirements, limits of liability, and exclusions.]

9. Severability
