DATA PROTECTION ACT 1998

Your name, contact details and a list of the properties owned or managed by you, within the boundaries of each of the Councils signed up to this scheme, are required for the purpose of the Register. This information will be shared with the Councils signed up to the Dorset Register and also with the Landlord Accreditation Body with which you are accredited.

For the purpose of investigating any complaint made about you in relation to your responsibility as a landlord, your details and the details of the complaint will be passed between the relevant landlord accreditation body and Council carrying out the investigation or vice versa from the Council to the landlord accreditation body.

Information you provide on this form may also be disclosed within the operating Councils to other departments within those Councils.

If you would like more information about how we look after your personal information and your rights under the Data Protection Act 1998 please go to the Council's website at: <http://www.bournemouth.gov.uk/CouncilDemocracy/ProvidingandProtectingInformation/Moreaboutthelegislation/DataProtectionAct.aspx>
