Discover the Gallery in the Lower Gardens

Exhibit

We welcome all kinds of artists to Pine Walk, from photographers and jewellers to those who create prints, pots and digital designs. It can take a lot of courage to exhibit for the first time, but the artists at Pine Walk are friendly and will give helpful tips and advice on how to get the best from your display and sell your pieces.

Hire

Hold your event in the Pine Walk exhibition space. This unique, open-air event space is a perfect alternative location for outside markets, talks, presentations and demonstrations during summer evenings, or at anytime during the winter. The Lower Gardens are part of the Lower Gardens Trust and as such, we are unfortunately unable to permit charitable collections.

Visit

Art@Pine Walk was set up almost 60 years ago and is a popular place for artists to show their work, and art lovers to browse and buy. Displays include a wide variety of art from painting and photography to sculpture, jewellery and digital art, with the creators on-hand to discuss their work with you.

Situated amongst the cool pine trees in the Lower Gardens, this tranquil oasis seems far away from the busy town centre, although in the very heart of the town. Why not contemplate the exhibition with a cuppa and a bite to eat from the cafe and observe the birds in the nearby aviary?

Opening Hours

Open daily 9.30-5pm between May and September. Our opening dates vary each year, so please look at the website for this year's dates.
