

REAL EXPERIENCES

REAL OPPORTUNITIES

Park Guardians

Assist the Parks staff by being 'eyes and ears' in your local park or green space.

Main duties and Responsibilities

- Patrol parks on foot or in an off-road vehicle, to look for any problems, and to report anything that is dangerous or damaging to the park, such as fallen or damaged trees, broken glass etc
- Report any anti-social behaviour, litter, graffiti, dog fouling and other problems
- Assist with litter picks and other works/projects designed to improve the park
- Communicate with/assist park users; provide information and guidance where necessary; answer park-related queries
- Check grazing animals if present

Experience and Benefits of the Placement

- Work in the fresh air
- Meet new people
- Communication skills
- Flexible hours
- Training provided
