## Bournemouth Crematorium Directions

Visit the Googlemaps website for help with driving instructions to Bournemouth Crematorium and Cemeteries. Just enter your own address and/or postcode and that of the Crematorium or one of the cemeteries to get comprehensive printable driving directions and maps.

**From the West:** Stay on the A35 through Poole, following signs to Bournemouth. Join the A338 Wessex Way, go straight over the first roundabout, and at the next Richmond Hill junction take the slip road and then turn left at the roundabout up Wimborne Road. At large junction at the end of Wimborne Road you will see a large cemetery in front of you. Go straight on at these traffic lights. Go straight over the next roundabout and continue up Charminster Road for about a mile, going straight on at all junctions. When you come to a roundabout with the Five Ways pub on your left, go straight on up Charminster Road. Take the first right hand turn into Strouden Avenue (Charminster Library is on the corner of this junction) and continue for a couple of hundred yards until you see the cemetery gates on your left. You may drive into the cemetery and park on the main drives.

**From the East:** From the M27 stay on until it ends and turns into the A31. Stay on the A31 to Ringwood, then take the left hand fork towards Bournemouth on the A338. Ignore the first exit (signposted to Christchurch) and at the second exit take the right hand lane of the slip road to the Cooper Dean roundabout. Turn right at the roundabout, i.e. go under the road you have just left, onto Castle Lane West. Go straight up Castle Lane West (past the Castlepoint Shopping Centre on your right) for about 1.5 miles, crossing straight over any roundabouts and traffic lights, until you reach a roundabout that has the Broadway Inn on your right hand side. Turn left taking the first exit into Charminster Road, and then take the sixth turning on your left into Strouden Avenue. The Crematorium is a couple of hundred yards on your left. You may drive into the cemetery and park on the main drives.

Please contact us if you require any further information.
