

**PORTSMOUTH AND WINCHESTER DIOCESAN
ACADEMIES TRUST**

Admissions Policy 2021- 2022

St. James' Church of England Primary Academy

**Policy Determined by the Portsmouth and Winchester Diocesan Academies
Trust Board – October 2019**

For Review – September 2020

This policy will be used during 2021/2022 for allocating places in the main admission round for entry to Year R in September 2021. It will also apply to in-year admissions during 2021/22. Outside the normal admissions round, the Fair Access protocol will be applied alongside the policy to secure the admission of vulnerable pupils from specific groups.

The Portsmouth and Winchester Diocesan Academies Trust (PVDAT) is the admission authority for St. James' Church of England Primary Academy. The admissions arrangements are determined by the PVDAT Board after statutory consultations.

The published admission number (PAN) for entry to Year R at St. James' Church of England Primary Academy is **60**. The Academy will admit this number if there are sufficient applications. Where fewer applications than the published number are received, places will be offered to all those who have applied.

The guiding principle of admission to this Academy is that a church school should serve its local community, defined in the trust deed dated 1856 as the ecclesiastical parish of St. James' and St. Saviour's.

The PVDAT Board will consider first all those applications received by the published deadline of **midnight on Friday 15th January 2021**. Notifications to parents offering a primary or Infant school place will be sent by the Local Authority on **Friday 16th April 2021**.

Applications made after midnight on **15th January 2021** will be considered after all on-time applications have been fully processed unless exceptional circumstances merit consideration alongside on-time applications.

For the normal admission round, all on time preferences will be considered simultaneously and ranked in accordance with the admission criteria. If more than one school can offer a place, the parent's highest stated available preference will be allocated.

Pupils with an Education, Health and Care Plan (EHCP)

Any child with an Education, Health and Care Plan naming St. James' Church of England Primary Academy will be admitted. Where possible such children will be admitted within PAN.

Oversubscription criteria

When the academy is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the academy, priority for admission will be given to children in the following priority order:

- 1) Looked after children or children who were previously looked after (see definition i)
- 2) (For applicants in the normal admission round) Children or families with an exceptional medical and / or social need (see definition ii). Supporting evidence from a professional is required such as a doctor and / or consultant for medical needs or a social worker, health visitor, housing officer, the police or probation officer for social needs. This evidence must confirm the child or family's medical or social need and why that need makes it essential that the child attends St. James' Church of England Primary Academy rather than any other. If evidence is not submitted by the application deadline, the medical and / or social need cannot be considered.
- 3) Children living in the catchment area (see definition iii) of St. James' Church of England Primary Academy who at the time of application have a sibling (see definition iv) on the roll of the academy who will still be on the roll at the time of admission.

- 4) Children living in the catchment area of St. James' Church of England Primary Academy.
- 5) Children living out of the catchment area who at the time of application have a sibling (see definition iv) on the roll of the academy who will still be on the roll at the time of admission. (Where a sibling was allocated a place at the academy in the normal admission round in a previous year because the child was displaced (see definition v) from the catchment school for their address, the application will be considered under criteria 3 above, subject to the siblings still living in the catchment area for the school from which they were displaced.)
- 6) Children living out of catchment area of St. James' Church of England Primary Academy.

Tie Breaker

If the Academy is oversubscribed from within any of the above categories, straight line distance will be used to prioritise applications; applicants living nearer the school have priority. Distances will be measured from the Ordnance Survey home address point to the school address point using the Local Authority's geographic Information Systems (GIS). Distances to multiple dwellings will give priority to the ground floor over the first floor and so on. On individual floors, distances will be measured to the stairs leading to the communal entrance. Where two or more applicants are equidistant, random allocation will be used to allocate the place. An explanation of the random allocation procedure is available on the Local Authority website.

Additional Information

Who can apply?

Only a parent can apply for a place at a school. A parent is any person who has parental responsibility for or is the legal guardian of the child, as set out in the Children Act 1989.

Permanent residence

The child's permanent residence is where they live normally, including weekends and during school holidays as well as during the week, and should be used for the application. The permanent address of children who spend part of their week with one parent and part with the other, at different addresses, will be the address at which they spend most of their time.

Multiple Births

Where a twin or child from a multiple birth is admitted to a school under this policy then any further twin or child from the same multiple birth will be admitted, if the parents so wish, even though this may raise the number in the year group above the school's PAN.

Fair Access Placements

Outside the normal admissions round, it may sometimes be necessary for a pupil to be placed by the PWDAT Board or the Local Authority, in a particular school even if there is a waiting list for admission. Such placements are made in accordance with the Local Authority's Fair Access Protocol. The Protocol is based on legislation and government.

Waiting Lists

Waiting lists will be established for each year group where more applications are received than places available. These will be maintained by the Academy and will be open to all refused applicants wishing to be placed on them.

Any places that become available will be offered to a child at the top of the list on the day the place becomes available. The waiting list is ordered according to the criteria of the admission policy with no account being taken of the length of time on the waiting list or any priority order expressed as part of the main admission round. Fair Access arrangements and school closure arrangements will take priority over the waiting list.

The waiting list will be reviewed and revised –

- Each time a child is added to, or removed from, the waiting list
- When a child's changed circumstance affect their priority

Starting school

Pupils born between 1 September 2016 and 31 August 2017 (inclusive) are entitled to full time schooling from September 2021. Parents can choose to defer their child's admission until later in the school year (but not beyond the start of the term after the reach compulsory school age). Children can also attend part-time until they reach compulsory school age. Parents must discuss their child's starting arrangements with the school once an offer has been secured.

Children with birthdays between

- 1 September and 31 December 2016 (inclusive) reach compulsory school age on 31 December 2021, at the start of the spring term 2022.
- 1 January and 31 March 2017 (inclusive) reach compulsory school age on 31 March 2022, at the start of the summer term 2022

- 1 April and 31 August 2017 (inclusive) reach compulsory school age on 31 August 2022, at the start of the new school year in September 2022.

Parents of summer born children (those born between) 1 April and 31 August) who are particularly concerned about their child's readiness for school can request to delay their child's entry to Year R for an entire school year until September 2022. This is called decelerated admission. In making a request, parents would be expected to state clearly why they felt decelerated admission to Year R was in their child's best interest. It is recommended that parents considering such a request contact the school in the autumn term 2020 to ensure that an informed decision is made.

Admission of children outside their normal age group

Parents may request that their child is admitted outside of their normal age group. To do so, parents should include a request with their application, specifying why admission outside the normal age group is being requested and which year group they wish their child to be admitted. Decisions will be made based on the circumstances of the case and in the best interests of the child.

School Closures

In the event of a school closure, pupils from the closing school may be given priority for any school nominated as the receiving school. Specific arrangements will be determined by the school and Local authority in accordance with the School Admission Code and will be published at the time for specific schools affected.

Admission Appeals

If you are unsuccessful in being offered a place for your child at St. James' Church of England Primary Academy you will be informed by the Local Authority in writing, will be given reasons for the refusal and informed of your right to an independent appeal against the decision.

Warning

Places are withdrawn every year because parents give false information on application forms, e.g. a false home address. This includes cases where parents take out a short term let or buy a property solely to use its address on the application form without any intention of taking up permanent residence there. In fairness to all parents, all allegations of fraudulent practice brought to the Governing Board's attention will be investigated. The Governing Board reserve the right to withdraw the offer of a place if fraudulent or intentionally misleading information has been used on an application.

How to apply

The Local Authority operates a Co-ordinated Admissions Scheme which processes all main round (ordinary) admissions applications. You must complete a Local Authority Form available from website. (<https://bcp.cloud.servelec-synergy.com/parentportal/>)

Definitions

- i) Looked after children are defined as those who are a) in the care of a local authority, or b) being provided with accommodation by a local authority under exercise of their social services functions (see definition in section 22(1) of the Children Act 1989). Previously looked after children are those who were looked after but immediately after being looked after became subject to an adoption order, child arrangement order, or special guardianship order. An adoption order is an order under section 46 of the Adoption and Children Act 2002 or section 12 of the

Adoption Act 1976. Child arrangement orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangement order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian(s).

- ii) Applicants will only be considered under this criterion if on the application form they have ticked the appropriate box explicitly indicating that they wish for their application to be considered under medical / social need, 'Medical need' does not include mild medical conditions, such as asthma or allergies. 'Social need' does not include a parent's wish that a child attends the school because of a child's aptitude of abilities or because their friends attend the school or because of routine childminding arrangements. Priority will be given to those children whose evidence establishes that they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose evidence establishes that their family member's physical or mental health or social needs mean that they have demonstrable and significant need to attend a particular school. Evidence must confirm the circumstances of the case and must set out why the child should attend a particular school. Evidence must confirm the circumstances of the case and must set out why the child should attend a particular school and why no other school could meet the child's needs.
Providing the evidence does not guarantee that a child will be given priority at a particular school and in each case a decision will be made on the merits of the case and whether the evidence demonstrates that a placement should be made at one particular school above any other.
- iii) The catchment area for St. James' Church of England Primary Academy is the Ecclesiastical Parish of St. James' and St. Saviour's. Our catchment area is defined within the attached street list pages 7-8.
- iv) Sibling refers to brother or sister, half-brother or half-sister, adoptive brother or adoptive sister, foster brother or foster sister, step brother or step sister living as one family unit at the same address. It will also be applied to situation where a full, half or adopted brother or sister are living at separate addresses.
- v) Displaced refers to a child who was refused a place at the catchment school in the normal admission round having named it in the application and was not offered a higher named preference school.
