

Winton Primary School (Academy Trust) – Admissions Policy and Arrangements for 2021-22

The criteria to be used by Winton Primary School are as set out below.
They will be applied to

- a) All entry year applications received by the closing date and to applications received after the closing date, if any places become available. Late applications will not be considered at the first allocation of places until all applications received on time have been dealt with
- b) All admissions outside the normal September main entry intake unless any In Year Fair Access Protocols (see note 9) agreed through the Bournemouth Admissions Forum are applicable.

The published admissions number for the school is 120.

Places will be allocated in the following order of category:

Category 1

Children who are “Looked after” by a Local Authority or a child who was previously looked after but immediately following being looked after subject to an adoption, residence, child arrangements or special guardianship order. (See Note 1.)

Category 2

Children living in the designated catchment area of the school who will have a brother or sister (see notes 3 & 4) attending the school at the time of admission.

Category 3

Children living in the designated catchment area of the school.

Category 4

Children living outside the designated catchment area of the school who will have a brother or sister (see notes 3 & 4) attending the school at the time of admission.

Category 5

Children living outside the catchment area of the school who live closest to the school as measured by straight-line distance. (See note 2(ii))

Admission Criteria - Notes

1. A "Looked After Child" means any child who is in the care of a local authority in accordance with Section 22 (1) of the Children Act 1989. A child who was "previously a Looked After Child" means a child who after being Looked After became subject to an Adoption Order under the Adoption Act 1976 or under Section 46 of the Adoption and Children Act 2002, a Residence Order or Child Arrangement Order under Section 8 of the Children Act 1989 or Special Guardianship Order under Section 14A of the Children Act 1989. Applicants can be asked to provide additional evidence in order to verify the previously looked after status of a child. It is at the discretion of the admissions authority what evidence is required. The final decision will be made by the admissions authority. If any information supplied by an applicant is judged by the admissions authority to be fraudulent or intentionally misleading, the admissions authority may refuse to offer a place, or if already offered, may withdraw the offer.

A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Applicants can be asked to provide additional evidence in order to verify the previously looked after status of a child. It is at the discretion of the admissions authority what evidence is required. The final decision will be made by the admissions authority. If any information supplied by an applicant is judged by the admissions authority to be fraudulent or intentionally misleading, the admissions authority may refuse to offer a place, or if already offered, may withdraw the offer.

2. In the case of over subscription in categories 1-5 priority will be given to these children:
 - (i) where a placement is recommended for medical reasons as essential by professional medical advisors or where there are exceptional reasons supported by evidence from a Social Worker, Educational Psychologist or Education Welfare Officer employed by the Council which in the view of the Corporate Director with specific responsibility for Children and Families Services require placement at a particular school.
 - (ii) live closest to the school as measured by the straight-line distance calculated by the Authority's Geographical Information System (GIS) in use at the time of allocation (the system at the time of setting the policy takes the measurement between the address mapping points of the school and the applicant's home). If distances are equal, as calculated by the Council's GIS system, for example a flat in a block of dwellings with the same front entrance a random allocation system will be used to determine the allocation. Details of this process are outlined below in Note 10.

3. Brothers and sisters are defined as half or full brother or sister, adoptive brother or sister and the children of parents who are married or cohabiting, where the parents and children live together in the same household.
4. When considering twins, triplets or other multiple births places will be offered above the published admission number to the other twin, triplet or multiple birth children whose twin, triplet or multiple birth was offered a place within the admission number. Twins, triplets and multiple births will be given a priority over other sibling links and other applicants.
5. The school will apply the above criteria to applicants subject to the following exceptions:
 - (i) where an applicant is seeking admission for the September entry of the school entry year, applications received before the closing date will initially be given priority over those received after the closing date. Under exceptional circumstances a late application may be considered as received on time. Exceptional circumstances could be illness, involving hospitalisation or a bereavement or as prescribed within the coordinated admission arrangements.
 - (iii) where a child has a statement of special educational needs/Education Health and Care Plan (EHCP) and for whom there is a legal requirement to admit to a particular school named in the statement/EHCP.
6. The home address where a child lives is considered to be a residential property that is the child's main or only address during term time. Applicants can be asked to provide additional evidence in order to verify addresses and/or other details provided. It is at the discretion of the admissions authority what evidence is required (evidence may include, but is not limited to, Child Benefit, GP registration, evidence of home ownership/tenancy etc.). The final decision on the home address of a child will be made by the admissions authority. If any information supplied by an applicant is judged by the admissions authority to be fraudulent or intentionally misleading, the admissions authority may refuse to offer a place, or if already offered, may withdraw the offer.

Applications from separated parents

Only one application can be considered for each child. Where parents/carers are separated it is essential that agreement is reached by both parties concerning the nominated preferred schools. Where a child spends part of their week with one parent and part with the other, only one address can be used. This must be the address at which the child spends most of their time during term time. Applicants can be asked to provide additional evidence in order to verify addresses and/or other details provided. It is at the discretion of the admissions authority what evidence is required (evidence may include, but is not limited to, Child Benefit, GP registration, evidence of home ownership/tenancy etc.). The final decision on the home address of a child will be made by the admissions authority. If any information supplied by an applicant is judged by the admissions authority to be fraudulent or intentionally misleading, the admissions authority may refuse to offer a place, or if already offered, may withdraw the offer.

Waiting Lists

7. The school operates a formal waiting list for those refused a place. Subject to note 4, the waiting list is ranked according to the over-subscription criteria. Any places that do become available, if not required for a child with a statement of special educational need/EHCP or one who is required to be admitted through an In-year Fair Access Protocol, are allocated in accordance with these criteria. The waiting list does not give priority either to those that have been on the list longest or to those that applied after the closing date.

Waiting Lists for main entry years will cease on 31 December 2021. Previous applicants wishing to continue on a waiting list must re-apply to the school between 1 and 31 December 2021. Waiting lists for all other year groups will cease at the end of the academic year 2021/22. Applicants will be required to reapply (in August 2022) for admission if they wish to continue to be considered for a place. Please note the school may review waiting lists on a regularly basis at the end of each term or when a place becomes available at a school.

Co-ordination between Admission Authorities

8. In accordance with the law and the agreed schemes the offer of places at the main points of entry at the primary and secondary level will be co-ordinated between all those who decide upon admissions to schools (admission authorities) in Bournemouth.
9. Schools in Bournemouth together with Bournemouth Council operate an In-Year Fair Access Protocol in accordance with the Code on School Admissions. This is reviewed by The Admissions Forum on a regular basis. A single application form will be available for all applications for in-year admission.

Final Tie-Break Allocation Process

10. If there are insufficient places to accommodate all applicants and after using all tie break criteria applicants for the final place(s) cannot be split the remaining place(s) will be allocated using a random allocation process. The process will be electronically administered through the IT providers in use at the time. At the time of setting this policy the providers are Synergy.

School Admission Appeals

11. The school will not consider repeat appeals by the same applicant for the same school in the same academic year unless the applicant is able to prove that there have been material changes in their circumstances since the previous admission appeal. The final decision as to whether the material changes warrant a fresh appeal will be determined by the Academy.

Withdrawal of an offer of a place

12. The school may withdraw an offer of a school place where a parent fails to respond to an offer within a reasonable timescale or where the place was offered on the basis of a fraudulent or intentionally misleading application, or where the place has been offered in error.

Changes to the admission policy, number of available places and catchment areas

13. Where additional places or a school closure or amalgamation is proposed or implemented after the setting of these admission arrangements a change may be required to be made to the policy, admission number or related catchment areas. Application will be made to alter the arrangements to the Office of the Schools Adjudicator where necessary.

Admission of children outside their normal age group

14. The policy in regard to consideration of requests from parents for their child's admission to Reception to be delayed by a year is attached. The policy can consider requests from parents of children whose birthday is between 1 April and 31 August and meet the criteria. The procedure for consideration of these requests is set down within the policy.
15. The policy for consideration of requests for children in other year groups to be admitted outside of their normal age group is administered by the Special Education Needs Team and the Education Psychology Service.

POLICY FOR DELAYED ADMISSION TO RECEPTION YEAR GROUP

The Policy will apply to requests for summer born children to delay admission to Reception

PLEASE NOTE, AT THE TIME OF PUBLISHING WE ARE WAITING ON THE RELEASE OF A CONSULTATION BY THE DFE ON PROPOSED CHANGES TO THE EXISTING SCHOOL ADMISSIONS CODE.

IF NECESSARY, THIS POLICY WILL BE AMENDED IN LINE WITH ANY CHANGES TO THE CODE PUBLISHED AT A LATER DATE.

Introduction

This policy document sets out the process and criteria for considering requests to delay admission to school for summer born children. This policy applies to all pupils with the exception of those holding or undergoing assessment for a statement of special educational needs/Education Health & Care Plan whose parent(s)/carer(s) should contact the Borough's Special Educational Needs Team for advice.

All other application forms should be submitted direct to the Local Authority School Admissions Team.

Process for consideration of parental requests for Summer Born Babies to be admitted to Reception a year later than their chronological age group admission

1. If a parent expresses an interest in applying for delayed entry to Reception, the Academy should suggest that they arrange a meeting with the head teacher to discuss their options.
2. If, after discussion with the head teacher(s), the parents still wish to pursue an 'out of year' admission, they will be asked to complete and submit an application form together with supporting evidence to the Local Authority.
3. The application form will ask parents to confirm that they understand the policy. If approved, any existing applications will be cancelled and the parents will need to reapply for a place in Reception for the following year. This application must be submitted prior to the closing date of 15 January the following year. **At no time will they be able to hold school offers for their child in two year groups.**

4. Any applications made the following year will not be given special priority over applications for children falling naturally in that year group.
5. If the request for delayed admission is submitted after an offer of a school place in the child's chronological age group has been made, if it is subsequently approved that the child can delay admission the original offer will be withdrawn and offered to the next child on the waiting list.
6. The form will also ask for basic information about the child and the following information must be provided:
 - Clear reasons for the request
 - Information from the child's current nursery or pre-school if applicable
 - Assessments provided by the Pre-School Provider or Health Visitor from issues raised at the 2 year old check
7. In addition they may be asked to provide specific information/documentation such as:
 - Early Years reports and assessments where this is available
 - Existing professional reports and assessments e.g. educational psychology reports from LA where this is available
 - Health information
 - Other relevant information and documentary evidence
8. Parents will be informed of the date that the Panel will meet within 15 school days of receipt of their written request (Application form and supporting evidence).
9. Parents along with the Academy will be informed of the recommendation of the Panel in writing within 5 working days of the meeting.
10. As the Academy is its own admitting authority, the final decision on whether to allow delayed entry lies with them, however they will take note of The Panel's recommendation when making their decision.
11. The Academy will write out to parents within 10 days once a final decision has been made.

Criteria for agreement to out of year admissions

The following list is not final and binding and is an example of the type of information that will be considered by the Panel. Meeting one or more of the criteria below is not in itself confirmation of agreement to the request to delay entry. The Panel will consider evidence relating to all aspects of the child's development and needs in coming to a decision and this will include the following:

- in the case of children born prematurely, the fact that they may have naturally fallen into the lower age group if they had been born on their expected date of birth;
- whether delayed social, emotional or physical development is adversely affecting their readiness for school;
- relevant research into the outcomes of summer born and premature child.

Right of appeal following the decision

There is no right of appeal if a parent has been offered a place in the school but it is not in the year group they would like. If a parent is unhappy with the way the academy has handled their complaint, the parent can then refer their complaint to the Education & Skills Funding Agency (ESFA).
