CHANGES TO THE ADMISSIONS POLICY AND ARRANGEMENTS FOR 2018-19

Information to accompany the revised policy setting out the main and significant changes

The consultation is performed by the Local Authority on behalf of St Michael's Church of England Primary School.

The Admissions Policy for 2018-2019 has been reviewed by the Full Governing Body of St Michael's Church of England Primary School who are the Admissions Authority.

The Governors are keen to continue to serve the local community.

The main changes agreed by the Governors are as follows: -

- Reference to the Local Authority as the Admissions Authority has been changed to St Michael's Church of England Primary School.
- There is no longer a Church priority in the policy. Governors have removed this on the advice from the Diocese and to ensure that the school serves those children in the community and catchment area as a priority. St Michael's remains a Church of England School.
- The wording has changed for Reception children starting school and the options offered by the School. This is to adhere to the admissions code and clarifies that a child may attend part time or full time.
- The Looked After Children definition has been defined in more detail.
- The Summer Born and Delayed Entry Policy has been incorporated in the Main Admissions Policy.
- Reference added to the use of the GIS system used by the Local Authority to calculate straight line distance.
