CM explained the Julian Wright from achieve together is no longer in post as the Achieve Together programme has finished.

A meeting has recently been held which all of Boscombe Schools Head Teachers were invited to in order to discuss collaborative working and looking at the best outcomes for Boscombe Children. Initial work will look at how best practice around Pupil premium initiatives is shared between schools- looking at what worked well and also what hasn't worked as well.

Collaborative events will also be planned which will focus on Boscombe children and the first one will be held later on this year- this will focus on Young People's wellbeing and will include services proving support in the Boscombe area. This will be open to all parents/carers/young people of secondary school age in the Boscombe area.

DM noted that he is planning an event to promote joining the armed forces and Dorset Police. This event will cover Boscombe, Kinson & West Howe.

A Safer Boscombe

Strategic Leads from both Dorset Police and Bournemouth Borough Council have been identified to take forward the CSAS model. CSAS powers have now been granted to Operation Galaxy officers as well as the two uniformed officers who patrol the precinct. AS thanks stakeholders for their continued funding support.

The Tactical Precinct Group met recently to discuss plans for improving the environment in precinct and the shopping experience. The feedback from this group is very positive. Face Watch have been invited to the next meeting. They are a National company which allows shops to upload images of shoplifters and offenders. This information is also shared with the Police.

AS noted that he has been working with a voluntary team and the Police Comms team in order to push forward the Police Contact Point as a community focus point. There have been four volunteers within the Bournemouth area who have registered an interest. A press release has been sent out to encourage some interest for volunteering. AS explained that he would like to hold themed events at the Contact Point, the first one of which will be an LBGTT event.

AS noted that displacement is being noticed within the Pokesdown area following the positive joint work happening in Boscome. CGM noted that the Police are responding quickly to issues that arise in the Pokesdown area and is confident that this is being dealt with promptly.

Housing

Following issues regarding a BT box on the Palmeston Road development site, Planning will now be put forward in December of this year. The project should then begin on February 2017 and be completed towards the end of 2017.

The Grant Programme has now been signed off for Churchill Gardens. This is linked in with the Conservation Area Management Plan. This will potentially begin in November 2016.
