1	Welcome & Apologies BC welcomed the attendees to the meeting and noted the apologies.	
2	Minutes & Matters Arising The minutes were agreed as an accurate record of the meeting.	
4	Theme Lead Updates Please find theme updates on the BRP website http://www.bournemouth.gov.uk/Microsites/Regeneration/Boscombe/Priorities/Priorities.aspx Housing Please see Housing update by visiting the above site. <u>Additional information:</u> KA noted that there are still conversations going on with regards to the	

<p>Argos site. It was noted that there will be a presentation on the Community Finance initiative at the December board and KA suggested that there should also be a focus on the Housing theme at this meeting. These will be added to the next agenda. KA noted that the Council have now purchased two HMO's and completion on a third property is imminent. Work has begun on the first HMO purchase. Operation Galaxy will be covered in more detail under the Housing focus at the next meeting. CPSW raised a concern over the security of the Argos site whilst it is empty. CM noted that although this is the responsibility of the owners, that she would highlight this concern to them.</p> <p>Employment & Enterprise Please see E&E update by visiting the above site. <u>Additional information:</u> SB noted thanks to ST for her work on bringing together the Great Exhibition of Boscombe event. CPST asked if there will be a similar event next year and CM confirmed that the intention is to hold this event again in 2014. CM noted that ST has been employed to be the ReCreate Project Officer.</p> <p>Education & Attainment Julian Wright was welcomed to the Board. CM gave an overview of what's been happening with this theme for the benefit of the Board and also the new Theme lead Julian Wright. JW gave an overview of Achieve Together. The project is part funded by JP Morgan. This is an initiative delivered by three education charities working together to develop practical ways to attract, retain and develop excellent teachers, middle leaders and heads to raise standards in schools in low-income communities. This programme will be running in Boscombe & West Howe and are currently working with 7-8 schools within the Bournemouth area.</p> <p>Crime Please see Crime update by visiting the above site. <u>Additional information:</u> The installation date for the Police Contact Box has slipped slightly. Hopefully it will be installed at the beginning of December. CW noted that at the last Atlas meeting there were discussions around Boscombe having a Community Justice Panel. This was brought to the attention of the group by the PCC. CW has done some research into this and it was noted that the panel was trialled in Winton but has not really taken off. It has however worked very well in Bridport. Some members of the Atlas group will visit Bridport to see how it works and report back to the group for further discussions. ANPR – CA noted that as soon as it has been signed off, equipment will be purchased and the system will be begin.</p>	<p>HR</p> <p>CM</p>
---	-----------------------------------

<p>CPST noted that he has had some complaints regarding ASB in the area of the bus station. CW will forward this information on to officers working in that area.</p> <p>Operation Planet Please see Crime update by visiting the above site.</p> <p>Environment Please see Environment update by visiting the above site. <u>Additional information:</u> CM noted that there has been mixed feedback so far regarding the Local Sustainable Transport Fund consultations for work in Boscombe. Part of this is the closure of one end of the Crescent. There has mostly been positive feedback in relation to the Precinct.</p> <p>SBest noted that at the beginning of November, Community Payback placements will be coming in Monday to Friday as well as the weekends. DC noted that B2026 are working with Borough of Poole looking at having car charging points across the conurbation. There will hopefully be a charging point in Gladstone Mews.</p> <p>Health Please see Health update by visiting the above site. <u>Additional information:</u> SC noted that the number of Health Checks being performed is still lower than expected and there is a need to be more creative around encouraging people to participate. SC noted that he has spoken with Dr French who will be pushing this forward with the practices that have yet to perform Health Checks. If there is no improvement in quarter 3, another model will be looked at.</p> <p>SC also noted that for the 27th November event, a company have been secured to perform Health Checks on the day. Some by appointment and some off the street.</p> <p>There is a possibility of working with AFC Bournemouth and SC will be meeting with the club to discuss this further.</p>	<p>CW</p>
<p>It was noted that the Health group have been approached by 'Groundworks' to see if the partnership will support their bid to the Health & Social Volunteer Fund. This is to support volunteers with creating community growing spaces in Boscombe & West Howe. (Action) CM will draft a supporting letter which will then be sent to Tony Williams for signing.</p> <p>Communications Recent activity There have been press releases issued for the start of demolition at the Gladstone Mews site, Boscombe photo competition, HMO purchase and conversion and the precinct consultation. BH Life has published a piece</p>	<p>CM</p>

	<p>on Gladstone Mews. There has been a lot of Facebook & Twitter activity promoting things happening in Boscombe.</p> <p>Forthcoming activity Anti Dog Fouling competition. Winners will be chosen soon and these posters will be displayed on the side of refuse trucks. The Boscombe photo competition draws to a close at the end of November and winners will be selected soon after. These pictures will be used for the Boscombe calendar for 2014. JM is working on a comms strategy for the ReCreate project. There will hopefully be some television coverage of the work we are doing regarding converting HMO's. BH Life winter addition will have a piece on the precinct proposals including the concept of shared space. There will also be promotion for the Boscombe '1 Year On' event in November. JM noted that she is working closely with Dorset Police on the opening of the Police Box which will be situated outside of McDonalds. SB noted that she has received a call from the 'Inside Out' programme. They are filming a programme on drug & alcohol addiction and are interested in the Boscombe area. It was decided that the partnership would see how this develops in order to try and ensure positive publicity rather than negative. (Action) SB will pass on contact details to JM so that JM can have a discussion with them. CM noted that 612 Media, a local film maker has been commissioned to create a 'Creative Boscombe' film of Boscombe which will then be posted on to YouTube.</p> <p>November Event The event will be held in the Boscombe Arcade on the 27th November. Theme leads will be organising their section of the event- contact HR for any further details. Promotion is being produced. Dr Jim O'Brian from the Public Health England team will be attending the event in the morning and will have conversations with lead professionals with regards to multi agency working.</p>	<p>SB/JM</p> <p>ALL</p>
5	<p>AOB CCR noted that the parking charges have been brought into line with the rest of the town following complaints from customers. CPSW noted a need for promoting health and fitness activities in the local area. (Action) JM will look into this.</p>	JM
