	<p>SB updated the Board on progress. Unfortunately, as CA is leaving, plans to bring stakeholders together to focus on improving outcomes for young people has not happened. SB will secure contact details and work with colleagues in Children and Young Peoples service to hold this event after the summer.</p> <p>GJ explained how Housing / Building Maintenance are open to offering young people work experience and apprenticeships and flexible in the approach. 4	Skills (SB) Howe Inspired / Wellbeing	
	<p>SB presented the report. There is now a range of provision (see Wellbeing Booklet attached) funded from the Board with good take up. The numbers engaged are high - GJ estimated that amount per head is @ £45 representing extremely good value for money. Sustainability is now crucial. WHCE has managed to stretch the £40k investment (as per the report) but ongoing funding is still required. External funders are being considered.</p> <p>DM mentioned other provision, contracted by DWP / European funded that might be able to work with WHCE, e.g. Best (BBO funding), Shaw Trust (ex-offenders), College (ESA contract). Plus youth provision through BBO (Ansbury / SWRAC) SB / DM to discuss further.</p> <p>All partners to consider potential future funding options.</p> <p>Public Health has been also helping WHCE to develop an evaluation framework which will be extremely helpful for future funding bids - vfm to be included.</p> <p>TT and SM also gave an update on the Diabetes peer support group, which came out of the “Model of Care” work last year. The group has started to meet, mainly includes older people. Most were made</p>	DH SB / DM All SB

	<p>SB updated on the activities under this theme. CAB run weekly surgeries. Wyvern Credit Union could provide a service locally but this would need a significant number of volunteers. A meeting will shortly be held with Lloyds bank who want to provide volunteers to support people re digital and financial inclusion. Report back to be provided at the next Board.</p> <p>GJ mentioned that Nationwide have a Community Fund that may be of use.</p>	<p>SB</p> <p>SB</p>

This takes forward the work carried out in 2014/5 on a Visions for Physical Regeneration (attached) MS is inviting people to join a core group who will stay engaged and act as ambassadors throughout the project. Board members were asked to suggest other groups who need to be added to the list of invitees. Transport, Schools and Friends of the Common were mentioned. A name for this project will need to be identified.</p> <p>3P’s GN from Dorset Police introduced himself. He mentioned the spirit of West Howe has been amazing since the sad deaths of 2 young people during last year. The 3ps still meet up regularly, tackling identified issues and gaining the confidence of residents, leading to more intelligence being passed on. ASB is dropping. Drugs being tackled through Operation Salmon. He is starting up a Consequence scheme and will be trying to encourage Responsible Reporting, as low tolerance levels result in inappropriate reports to the Police. Neighbourhood disputes seem to be increasing.</p>	<p>MS</p>
