Scope to raise awareness of benefits of higher standards of design to reduce energy consumption.

Please complete and save your checklist, and email a copy to Lee Green, Environment Strategy and Sustainability Manager @ lee.green@bournemouth.gov.uk

If you would like help in completing this checklist or would like to request a change, again contact Lee Green by email or call on 01202 451144.

EINA (Due regard) Screening Record

1. Title of Policy/Service/Project	Bournemouth Building & Maintenance Limited – Financial Statements for the period ended 31 March 2015
2. Date of screening	30.07.15
3. Service Unit	Strategic Finance
4. Lead Responsible Officer	Ian Milner
5. Job Title	Acting Executive Director - Finance
6. Members of the Assessment Team	Michelle Lewis

If the answers to the following questions are Yes or Don't know, then a full EINA will need to be carried out.

7. Is there likely to be a positive or negative impact in terms of equality?	No
8. Does it involve a significant commitment of resources?	No

It is not necessary at the screening stage to identify adverse or differential impact

It is important to remember that even when it is decided that a policy/service/project does not require an EINA, it remains subject to the general duties. Not carrying out a full EINA places our council at greater risk of legal challenge because it cannot use the EINA process to meet our [Public Duties](#) around equality. It also means, more importantly, that opportunities may have been missed to enhance equality.

<p>9. If you have answered no to the questions above and do not intend to carry out an EINA, please explain why?</p> <p>The subject of the report and outcome of the recommendation have no direct correlation to equality issues.</p>
