

How can we become even better corporate parents?

What's on the horizon?

National changes

- New inspection framework
- Adoption reforms
- Care leavers

What's on the horizon?

And locally.....

- More placement choice and more young people having a say in the choice of placement
- Increase in accommodation range for 16/17 year olds
- Multi-agency review of out of borough placements
- Permanence quicker

Our improvement plan for the next year

And.....

Getting the right school

- Fair access protocols
- A new duty to have a head teacher for the virtual school
- Improving educational outcomes

And.....

Making sure children and young people are healthy

- Goal based outcomes
- Easy access to Child and Adolescent Mental Health services and psychologists
- Leisure activities
- Development for foster carers

The new inspection framework

Still a single agency approach

Guidance and pilots due in June with implementation in September

- Focused on outcomes and quality
- Short notice
- Observing what we do and how we do it
- Wanting to hear what children, young people and their parents say about is

How can corporate parenting panel help?

We want to do well for our children and young people

- How can corporate parenting panel help us to improve and improve outcomes for children and young people?

We want to make a difference
