

CABINET MEMBER DECISION RECORD TEMPLATE

This form should be used to record Executive decisions taken by Cabinet Members

Decision Ref. No:				
Responsible Officer: Sarah Longthorpe, Commercial Programme Manager, Environment & Economy				
Subject: New Director - Bournemouth Building and Maintenance Limited				
Decision taken: To appoint Councillor Beverley Dunlop as a Director and Vice Chair of this Company.				
Reasons for the decision: Bournemouth Building and Maintenance Limited is not within the Bournemouth Group thus must seek authority for the appointment of new Directors from the Council.				
Call-in and Urgency: This decision is subject to the Councils call in procedure.				
Background: The governance of wholly owned Bournemouth Council Companies requires two members on the Board to serve as Chair and Vice Chair. Cllr Pat Oakley was Vice Chair until his recent resignation in order to fulfil his Cabinet commitment as Portfolio Holder for Arts Tourism & Culture. The Board of Directors wish to nominate Cllr Dunlop for this vacant position with immediate effect as she has the necessary skills and expertise to fulfil a Director role. Bournemouth Building and Maintenance Limited's Articles of Associate and Shareholders Agreement states that Council consent is required for the appointment of new Directors.				
Options - and reasons for rejection: Do not appoint this candidate and continue to operate with the existing Directors. This was rejected as this would not meet the Company's governance requirements and the Board considered the member's skills and expertise would be beneficial to the future management and operation of the Company. The shareholder's agreement requires a minimum of three directors to be appointed, but does not state a maximum.				
Consultations undertaken: Consultation with Bournemouth Building and Maintenance Limited Directors as this relates to the management of the company and Legal Services on the approval process.				
Finance/Resource Implications: There are no financial implications of this decision.

The decision is an executive decision, and can be taken by a Cabinet member, the Portfolio Holder.

The decision is in accordance with the legal framework and the Council's constitution.

Equality Impact Needs Assessment (Due regard) Screening Record

1. Title of Policy/Service/Project	Bournemouth Building and Maintenance Limited – addition of new Company Director
2. Date of screening	3 rd August 2017
3. Service Unit	Corporate & Commercial
4. Lead Responsible Officer	Sarah Longthorpe
5. Job Title	Acting Commercial Development Manager
6. Members of the Assessment Team	N/A

If the answers to the following questions are Yes or Don't know, then a full EINA will need to be carried out.

7. Does the policy/service/project affect service users, employees or the wider community? (This is not just about numbers. A potential to affect a small number of people in a significant way is as important as a potential to affect many people)	No
8. Is it a major policy/service/project, with a significant affect on how functions are delivered?	No
9. Will it have a significant effect on how other organisations operate?	No
10. Does it involve a significant commitment of resources?	No
11. Does it relate to an area where there are known inequalities? (e.g. the gender pay gap, racist or homophobic bullying in schools etc)	No
12. Does it relate to a service that is currently underused by people it should reach?	No
13. Does the policy/service/project relate to functions that previous consultation have identified as important to a particular group?	No

14. Do different groups have different needs or experiences in relation to the policy/service/ project ?	No
15. Is there likely to be a positive or negative impact in terms of equality?	No

It is not necessary at the screening stage to identify adverse or differential impact

It is important to remember that even when it is decided that a policy/service/project does not require an EINA, it remains subject to the general duties. Not carrying out a full EINA places our council at greater risk of legal challenge because it cannot use the EINA process to meet our [Public Duties](#) around equality. It also means, more importantly, that opportunities may have been missed to enhance equality.

<p>16. If you have answered no to the questions above and do not intend to carry out an EINA, please explain why?</p> <p>An EINA has already been completed as part of the Bournemouth Building and Maintenance Limited business case, this decision to appoint an additional company director does not alter the position.</p>
