

List of Wheelchair Accessible Vehicles Available within Bournemouth

In accordance with Section 167 of the Equality Act 2010 this is the designated list for the purposes of the Act.

All wheelchair accessible vehicles licensed after 1.4.2018 will be suitable to transport a reference wheelchair as described in Schedule 1 of Public Service Vehicle Accessibility Regulations 2000 the minimum requirements are: -

- 1500mm height
- 750mm wide and
- 1300mm length,

The vehicles listed below have been identified as being suitable to transport a passenger whilst seated in a wheelchair. The drivers of these vehicles will provide the necessary assistance to the passenger unless they have, and are clearly displaying, a valid exemption certificate.
